

The Short-Field Take Off

July 2017 edition Rev 1

Hello Members:

The winter months can sometimes look a bit "flat" and daunting weather wise, but there can also be some very good flying conditions during these months, so it pays to just mentally keep a "picture" in one's mind of the four day forecasts from the BOM (Bureau of Meteorology) to think about planning ahead for some flying just further afield than the YPJT/YRTI area and with the RIA (Rottnest Island Authority) slapping on an exorbitant lot of landing fees, we need to think a bit further afield.

There are now three dates for an inter club breakfast so we now have three choices for flying destinations.

Bunbury Aero Club has their Big Breakfast on the **first** Sunday of the month.

Albany Aero Club has their breakfast on the **second** Sunday of the month.

Busselton Aero Club has their breakfast on the **third** Sunday of the month.

Members please note that these are part of the Club sanctioned flying events so make the effort and be rewarded with our 10% reduced rates (refer June edition for schedule of rates).

Inter Club contact details are as listed below.

Bunbury Aero Club:

Catherine Jones: Office Administrator Phone: (08) 9725 4377

Enjoying the "Big Breakfast at Bunbury

Albany Aero Club:

Secretary: Dave Polette Mobile: 0439 955 657
